Angelyn Yek Yin Yin

Information Technology Student
Bandar Sunway, Subang Jaya **|** +60169807338 **|** angeyek23@gmail.com | LinkedIn | GitHub

SUMMARY

Final-year Information Technology student with hands-on experience in responsive web development, object-oriented programming, automated testing and database fundamentals. Skilled in building interactive web applications using React, JavaScript, HTML and CSS as well as developing Java applications. A collaborative and adaptable learner interested in artificial intelligence and eager to understand how it can be applied to real-world business problems. Seeking an IT or software development internship from **25 January 2027 to 23 April 2027.**

EDUCATION

Sunway University, Selangor Sep 2024 – Aug 2027
Bachelor of Science (Honours) in Information Technology
- CGPA: 3.85

Sunway College, Selangor Aug 2023 – Aug 2024
Foundation in Science and Technology
- CGPA: 3.98

PROJECTS

Soren Studio Website **2026**
React / CSS / JavaScript / Vite
- Developed a responsive fashion storefront with reusable React components, product collections, search and department filters.
- Implemented product size guides, a persistent shopping bag, browser-based account profiles and a simulated checkout with order confirmation.
- Added **45 automated tests** covering catalog data, search, cart validation, checkout and page rendering.

Pokemon Ga Ole **2025**
Java | Object-Oriented Programming | Java Collections | File I/O
- Developed a Java console game featuring turn-based Pokémon battles, randomized encounters, capture mechanics and persistent leaderboards.
- Applied inheritance, polymorphism, abstraction and the Factory pattern to model 35 Pokémon, type effectiveness, four Poké Ball variants and legendary Double Rush abilities.

SKILLS

Programming Languages & Framework: HTML, CSS, JavaScript, Java, Python, Scala, React, SQL
Version Control & Deployment: Git, GitHub, Vercel
Database Management: Oracle Database, Oracle APEX
Productivity Tools: Microsoft 365 (Word, Excel, PowerPoint)
Development Tools: VS Code, IntelliJ IDEA, Eclipse, Visual Paradigm, Cisco Packet Tracer, Figma, Wix
Language Proficiency: English, Chinese, Malay

ACHIEVEMENTS

- Dean's List Award (Sunway University) 2024 – 2025
- High Academic Achievement in FIST (Sunway College) 2024

VOLUNTEERING

- Energy Tech Summit Asia 2026 2026
- Parallel Pulse 2026 2026
- The Salvation Army KL Open Day Pre-Setup, Selangor 2026
- Toy Recycling Hub, Selangor 2026
- SunFest, Sunway University 2025
